Accredited Practicing Dietitian

- **Diabetes support services**
- **Permanent Full Time**
- **Western city fringe location**

Diabetes SA has been delivering services to people with diabetes and their families since 1953. As a not for profit, member-based Association that is largely self – funded, our mission is to educate, advocate, support and fund research that provides better outcomes for people at risk or living with diabetes.

Empowering people to live well with diabetes and raising awareness for those at risk is our vision for all South Australians.

Our aim is to build a team of professionals that allows us to extend the range of services to people with diabetes.

We now seek an Accredited Practicing Dietitian to join the Health & Service Delivery team, in a permanent capacity. The role will work closely with the existing Health & Service Delivery team to deliver comprehensive nutrition and dietetic education programs, information and support for people with diabetes and their carers.

Applicants to have experience in a clinical or community setting providing education, information and support in both a group and one to one situation as well as experience in liaising with general practitioners and health professionals. Participation in our annual Kids and Teenage Camps is a necessity, as well as experience in the development and delivery of health programs.

Essential criteria:

- Accredited Practicing Dietitian qualifications.
- At least three years' experience in a clinical or community setting, providing education, information and support in both a group and one to one situations.
- Experience in liaising with general practitioners and health professionals.
- Experience in the development and delivery of health programs.
- Outstanding written and oral communication skills.
- High level interpersonal skills.
- Well-developed planning and organisational skills.
- Ability to work effectively within a multi-disciplined team while demonstrating flexibility, adaptability and initiative.
- Current SA Driver's Licence.

Above Award remuneration is on offer, supported by the conditions provided in the Health Professionals and Support Services Award 2010. Salary packaging is also offered.
