

Your Diabetes Care Pathway For children and adolescents with type 1 diabetes

→ You will have ongoing checks with your GP/Endocrinologist/Diabetes Physician and referrals made to specialist Diabetes Care Team members as needed →

- General Practitioner
- Credentialed Diabetes Educator (CDE)
- Ongoing education may be required

Contact your CDE anytime, including if:

- changes in your personal life
- you need general advice or support
- changes in your health care needs/ medication
